8 NYC Restaurants Opening This Fall That You Need to Know About

By Bao Ong | August 22, 2016 | [Food & Drink](#)

The latest *it* restaurant in New York changes as often as Taylor Swift's relationship status. But every fall, a host of new restaurant openings vie for your attention. Here's where you'll want to book reservations in the upcoming months:

Benjamin Steakhouse Prime

A second location of the popular Benjamin Steakhouse is slated to open in late September in a much larger space with a more modern vibe. Expect all the classic steakhouse dishes—except there's a rooftop space on the side with views of the Manhattan skyline. *23 E. 40th St.*
